Celebrate: Western Night

Kick up your heels and boot scoot on over to our September Celebration - country western style! This month, we welcome country music artist Jim Garling. An Oklahoma native, Garling's influences include Gene Autry, Roy Rogers, the Sons of the Pioneers, and Bob Wills and the Texas Playboys, combining their sounds for just the right mix of old-style, acoustic western cowboy music and western swing.

Garage Sale Success!

The 2021 Bradford Village garage sale was a huge success. We had a record number of items donated and earned an incredible sum of \$4,015.20. Congratulations and THANK YOU to Sue Archer, head of the garage sale committee, and the numerous volunteers who prepared for and worked the sale. As always, proceeds from the sale will go towards supporting local organizations and charities, and BV staff holiday bonuses. We encourage residents to attend the Executive Committee meeting on Sept. 7 at 10am; how to use the funds from the sale will be a major topic of discussion. If there is an organization you would like to see BV support, please bring a brief description of the organization's mission. Following the Executive Committee meeting, a survey will be distributed to the entire resident body for further feedback. Your input is welcomed!
