

Happening in March

Laissez les bons temps rouler in March! We kick off the month with Mardi Gras on March 1. Try some king cake and themed drinks at our Mardi Gras party.

You may have heard that March 14 - or 3.14 - is Pi Day! Test your knowledge with a

little numbers-themed trivia and enjoy a slice of pie at Pi Day Trivia. March is a good month for working your brain; March 30 is the date that the game show Jeopardy! first debuted in 1964. Gather for more trivia on the 30th, but don't forget to give your answers in the

form of a question! We'll also celebrate St. Patrick's Day. On the 10th, hunt for clovers hidden around the community for a chance to win a door prize. Join us for the Luck o' the Irish Lunch on March 17th.

The Good Old Days

The Good Old Days, an 1-hour long original "jukebox musical," tells the story of three friends in a retirement community delighting in sharing their memories and looking back on their colorful lives, despite the patronizing head nurse and distracted family members who might curb their fun. As the friends reminisce, the audience sees each memory as boldly as the teller remembers it, with energetic dances set to favorite tunes we all know and love. The heartwarming story captures the realities of life in a residential community, the complicated nature of relationships with staff and family, and the power of looking back on a life well-lived.
