

Happening in November

On Nov. 1, learn about the Mexican celebration of the Day of the Dead - an event like a family reunion except dead ancestors are the guests of honor - in a documentary, *Day of the Dead: A Celebration of Life*. Later in the week, catch another documentary about

Will Rogers on his birthday, Nov. 4. "With Will Rogers Jr. as his dad and Jane Wyman as Betty Rogers, there's plenty to like about this biography of the "Poet Lariat". Another highlight of November is a chance to catch an OKC Blue

play the South Bay Lakers on Nov. 23. Tickets are \$15 and the seats are great - just a few rows up from center court! (Please note that tickets must be purchased in advance so residents who sign up are responsible for their tickets regardless of attendance.)
