

More to come in February...

Members of the new "Care Committee" have rebranded the group as the Cheer Club. Our goal is to uplift and celebrate members of the community. The next meeting will be Feb 1 and we will make Valentine's cards for neighbors who have moved from IL to AL. Also, we will be setting up a suggestion box on the 'newspaper' desk in the CC lobby. If you or someone you know could use some TLC, let us know! Mardi Gras comes early this year, on Feb 13. In keeping with community tradition, we'd love to have volunteers help throw a parade for residents at the Assisted Living. Prior to the parade, come to the AL lobby to listen to a trumpet performance by Mars Smith! If we're not too partied out from Mardi Gras, we'll keep the fun going on Feb 14 for Valentine's Day. Wear your favorite pink, red, or white shirt for a photo booth and Valentine's lunch!

Celebrate: Love Ya Lots!

The Long-Time-Wed Game

Our February celebrate theme is "Love Ya Lots" and we really do love gathering and celebrating friendships together! Come for a delicious meal, and enjoy the entertainment after the meal. Couples from the community have agreed to participate in

a version of the Newlywed game - they've all been married a long time, but can they answer questions about each other correctly? Cheer them on and find out!

Herb Magley: The Rock Show

This show rocks!

Feb 2 - If you don't think looking at rocks sounds interesting, you haven't met Herb! Herb Magley's interest in rocks goes back to a childhood vacation to Yellowstone. He was so inspired by that trip he became a geologist. During

his career, he and his team in Fort Worth pursued the groundbreaking new oil & gas source from shale. Now, Herb spends some of his time giving geological programs for seniors. He has programs developed about different colors and textures of rocks or about rocks that glow under a flashlight. His show really rocks!

February Book Club

The Women of Great Heron Lake by Deana Lynn Sletten: When Marla Madison's husband dies, she realizes she'd done everything with him, and now her life has become very small. Feeling lost, she throws herself into fixing up the one-hundred and fifty-year-old family manor on the lake. She soon discovers an old journal in a secret drawer and is instantly intrigued. The handwritten book tells the tale of another Mrs. Madison from over a century ago, the first woman to live in the lake manor. As Marla reads the journal, she discovers that her life parallels that of the woman who wrote those words decades ago and Marla finds inspiration from her strength.
