Happening in January

It's 2026! A new year is always a good time to recommit to old things or try new ones; join the exercise class, try an activity that's new to you, or brainstorm new ideas for programs in the coming year. On January 7, participate in a reflection and discussion

session centered on the hymn *Be Thou My Vision*. What is your vision for 2026? Join Caitlin on January 23 for a brainstorm session for new program ideas! On January 14, join a discussion about ChatGPT

and AI technology; what does the future look like with AI? On January 28, sign up to paint a Northern Lights art piece, using a mix of watercolor and acrylic.

Announcing the 2026 Celebrate Theme

Get Your Kicks!

In 2026, the nation will be celebrating the Route 66 Centennial, the 100th anniversary of the Mother Road serving the traveling public! The numerical designation of "U.S. Route 66" was assigned on April 30, 1926. "The Mother Road" was then commissioned on November 11, 1926, and ultimately stretched 2,448 miles (3,940 km) from Chicago to Los Angeles. Route 66 would become one of the United States' first continuous stretches of paved highway, and served as a major path for those who migrated west.

we! This year, our Celebrate dinner themes will be inspired by stops along the Mother Road. As we pass through Chicago, we'll kick up our heels with Roxie and Velma from the musical *Chicago*; we'll remember the 1904 World's Fair in St. Louis, as inspired by Judy Garland's movie *Meet Me in St. Louis*; we'll re-live the Oklahoma Land Run; and we'll end our journey in August on the Santa Monica Pier with a beach party!

In January, join our "Get Your Kicks on Route 66 Kickoff Party." The peak travel years for Route 66 were the 1950s and early 1960s, its "golden age" of post-WWII families seeking the California dream, and vacationers. Picture 1950s road trips and stops at diners and drive-throughs, and enjoy travelin' tunes by vocalist James Randolph.

As the nation celebrates the Route 66 Centennial, so will
